

Chase „Crimson Rose Fire and Ice“ is a well balanced stud dog from a pure american line breeding.

He has a lovable golden disposition, is very social with other dogs and friendly with everybody. Chase is not only handsome, he also shows many traits of his well known ancestors in addition to a great willingness for any kind of work, wich makes training with him a pleasure.

He is an outgoing, selfconfident, mentaly strong male and he is always ready and highly motivated when it comes to work.

Chase works also through tough cover, he loves the water and has a wonderful trainability, always eager to please.

He is easy to handle, both when working and in everyday life, and he has a desirable « off switch » when at home or waiting in the car.

Chase is a real team player and such a joy to be around.

Chase‘ Accomplishments:
